

HEAVY DUTY AFTERMARKET WEEK FAST FACTS

Heavy Duty Aftermarket Week is the largest North American gathering of heavy duty independent aftermarket players. At our 2026 event, we're focusing on how distributors and suppliers can use data-driven solutions to stay ahead. **HDAW'26** is the place to be for:

UNMATCHED CONNECTIONS

Profitable partnerships are made — and deals are closed — during the industry's most successful One-on-One Business Meetings program.

WORLD-CLASS PRODUCTS

Talk in person with suppliers, access special offers and preview the solutions that are coming your way, so you can seize opportunities in a shifting market.

VALUABLE EDUCATION

Get expert insights in sessions and practical strategies from peers at networking events so your business can keep pace with future trends and technologies.

TEXAS-STYLE NETWORKING

Dust off your boots and connect with your peers at the Wild West Wednesday Reception — just one of many events designed to help you build meaningful relationships at HDAW'26.

BUSINESS AND LEISURE, UNDER ONE ROOF

Staying at the Gaylord Texan Resort & Convention Center puts you at the heart of the action for HDAW'26. Conveniently meet with your peers and partners at a variety of restaurants, cafés and meeting spaces.

EYES ON THE ROAD

Come to the only heavy duty aftermarket event that attracts more than 2,900 executive-level distributors, suppliers and service providers, as well as educators and industry media, from the United States, Canada and six other countries.

870+ DISTRIBUTORS

Decision-makers come to HDAW to build relationships with suppliers and manufacturers, see the latest products and maximize their ROI.

330+ SUPPLIERS

The top HD companies bring their newest and best products, services and technologies, along with many special offers only available for show attendees.

1,900+
ONE-ON-ONE
BUSINESS MEETINGS

Face time that leads to signing on dotted lines.

HDAW is a good place to meet contacts, open your eyes to what vendors you're doing business with are doing and maybe look at their other offerings that you didn't know about."

Doug Longnecker, Diesel Power

If you want to know anything about truck or trailer parts, this is pretty much where you have to go! It's the show to be at because you're not going to find the depth of products or vendors anywhere else."

Ryan Plowman, Pomona Truck and Auto Supply
